Dear Cholla District Residents,

Neighborhood safety continues to be one of my top priorities for our district. Now that school is back in session, please watch for children walking to and from school and remember to obey the speed limit in our neighborhoods, especially in designated school zones. It is illegal and extremely dangerous to pass a school bus that is stopped to load or unload children. For those of you with children in school, please take a moment to review with them some safety tips provided by the City of Glendale Police Department and Transportation Department. Those safety tips are provided in the link below.

### Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council.
